Echo

Voltage: 12VDC
 Current: 30mA @ 12VDC

- Extreme brightness in a small package
- Fully sealed, IP 65 compliant – use for interior or exterior applications
- Innovative patent-pending mounting is fast and easy to install - with no exposed fasteners

- Versatile lights offer unprecedented flexibility
- Intelligent circuitry allows for dimming or four color control using your existing SPST switch
- Proprietary mounting system allows full positionability with no exposed fasteners
- Neutral-warm white light, or colors to suite your mood

Surface Mount Lights

Robust, Polished, Stainless Steel Housings
Exuma

- 101049 - SS Housing White Light
- 101050 - SS Housing Blue Light
- 101051 - SS Housing Red Light

Andros

- 101043 SS Housing White Light
- 101044 SS Housing Blue Light
- 101045 SS Housing Red Light

Voltage: 12VDC
 Current: 30mA @ 12VDC

- Small, attractive accent lights to compliment Lumitec styles
- More light output than many ‘full size’ overhead lights
- Use on stair risers, companionways, over counters, etc.
- Fully sealed, IP67 compliant, suitable for indoor or outdoor use.

70 Watt HID Flood Light

70w HID metal Halide 12-24vdc Compact w/bulb

Lumitec offers a wide array of marine lighting for commercial, industrial, and specialty applications. Our products are in use worldwide on commercial vessels, super yachts, oil rigs, and emergency vehicles. We feature metal halide High Intensity Discharge (HID) and quartz halogen light sources for high output and low current draw. 12 and 24VDC or 120VAC.
